Dear St. Michael's Community,

As part of the search for our next Head of School, we invite you to share your initial thoughts and perspectives to help guide this important process.

Marci McLean and Andrew Wooden, our consultants assisting with the Head of School search, request input from current families, faculty, staff, and administration regarding the qualifications and qualities you believe are most important in our next Head of School. Your feedback will help them create a comprehensive and personalized position profile, which will be used both in marketing the position and in evaluating candidates.

This initial input is especially important as it will help guide their work during their upcoming visit to campus next week, May 7–9.

Please complete the survey using the link below before the end of the day on Tuesday, May 6th:

Thank you in advance for your time and thoughtfulness as we embark on this important next chapter for St. Michael's.

With gratitude,

A handwritten signature in black ink, appearing to read "Ian Milliken", is located below the "With gratitude," text. The signature is stylized with a large, sweeping initial "I" and a series of loops and strokes for the rest of the name.
