### Purchasing Uniforms

- Parents are welcome to shop for uniforms at any clothing retailer. Simply follow the dress code guidance in this excerpt from the Parent-Student Handbook. Please note that the P.E. uniform is only available through Lands' End.
- For your shopping convenience, St. Michael's has established a school uniform store with Lands' End that offers a wide variety of clothing options by gender and grade – all of which are dress-code approved! No need to cross-check with the handbook. The school earns 5% back on all purchases.
- Uniform Exchange: Shop for gently used uniforms for only \$2 per item or \$4 for logo items/outerwear/plaid. OR trade in your gently used uniforms for an even exchange. This event occurs 3 times per year and is hosted by Soaring Eagles Alliance (SEA).

The school logo may be embroidered on approved uniform items through an exclusive local vendor for approximately \$12.50 per item. (Price subject to change. Please contact the vendor below.)
