

August 25, 2025

Dear St. Michael's Community,

Now that school is underway, the Search Committee would like to update you on our progress in the search for our next Head of School.

Our consultants from The Education Group (TEG) worked through late spring and summer and provided us with a slate of qualified candidates. The consultants vetted these candidates, interviewed them, and checked their references, before forwarding them, along with their qualifications and other background material, to the committee.

The Search Committee has chosen a group of semifinalists from that group whom we will interview by Zoom. Following those interviews, we will select finalists who will be invited to visit the campus. At that time, parents, faculty, administrators, and others will have the opportunity to meet the finalists, hear their stories and thoughts about St. Michael's, ask them questions, and following the meetings, provide feedback to the search committee.

You can check this Head of School Search page for further updates as we move forward. We'll provide information on the finalist visits, which we expect to be in October, as soon as we have the details finalized.

Thank you,
Reed Karaim, Search Committee Chair
