

LEGO® Engineering

At St. Michael's School

At Play-Well TEKnologies, students are encouraged to unleash their inner engineer as they design and build with tens of thousands of LEGO® pieces and the guidance of our passionate instructors. They will explore fundamental STEM concepts as they learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

Aug. 22 - Oct. 31
Fridays
3:10 - 4:40 pm
Grades K-2 and 3-5
\$210

Adventures in STEM Using LEGO Materials

Let your imagination run wild with tens of thousands of LEGO® parts! Build engineer-designed projects and use special pieces to create your own unique designs! Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.
