

June 1, 2026

Dear St. Michael's Parents and Families,

I hope you are enjoying the beginning of a restful and well-deserved summer break.

I wanted to share a few important updates as we conclude the 2025–2026 school year and prepare for the year ahead.

Final Report Cards and MAP Assessment Results

Final report cards, along with students' MAP Growth assessment results in Reading, Mathematics, and Language Usage, have been mailed to families and should be arriving soon. We encourage you to review these materials carefully, celebrate your child's accomplishments, and use the assessment information to support continued learning over the summer months.

Summer Academic Work

Summer academic assignments for each grade level are now available on the St. Michael's School website at the following link:

<https://smstucson.org/summerwork2026/>

We encourage students to complete the assigned summer work to help maintain academic skills and ensure a smooth transition into the next school year.

2026-2027 Health and Registration Forms

This Thursday, families will receive the required Confidential Emergency Contact & Health Form for the 2026-2027 school year via Docusign. Additional enrollment and school forms will be distributed in July. We appreciate your prompt attention to these materials as we prepare for another successful year.

As this school year concludes, I would also like to express my heartfelt gratitude to the entire St. Michael's community. Thank you for the many kind messages, prayers, and well-wishes you have extended to my family as we prepare to move to New Hampshire and begin our next chapter. Serving

as Head of School at St. Michael's has been one of the great privileges of my professional life, and I will always cherish the relationships, memories, and accomplishments we have shared together. I am excited for the future of St. Michael's School and look forward to welcoming Dr. Matt Teller, who will begin his service as Head of School on June 15. I know he will be warmly embraced by this wonderful community and will continue the St. Michael's tradition of faith, excellence, and student-centered education.

Thank you once again for your partnership, support, and trust. I wish you and your families a joyful, safe, and blessed summer.

With gratitude,

Brendan Sullivan

Head of School
