

6th-8th Volleyball Registration

I, _____ (student's name), would like to participate in middle school **Volleyball**. I understand that there is an \$90 participation fee that must be paid before the first game (**St. Michael's has updated the payment policy and the athletic fee must now be paid in advance of the athletic season by check or cash**).

Philosophy

St. Michael's Parish Day School offers after school athletics for students in sixth through eighth grades. All students who wish to participate in afterschool athletics have the opportunity to join a team and learn the fundamentals and rules of the given sport.

Uniforms

Middle School athletic uniforms will be supplied to the athletes by the school and returned after each sport season. I understand it is my responsibility to bring my entire uniform for each game and if I don't have it, my playing time may be affected. **If an athlete misplaces or damages his or her uniform, the Director of Athletics will collect a replacement fee of \$50.00.**

Sportsmanship and Behavior

St. Michael's conducts an interscholastic athletic program for students in sixth through eighth grades in the belief that competitive team experiences contribute significantly to the development of character and school spirit. Sportsmanship and fair play are important facets of this training.

We expect our coaches, players, faculty, staff and parents to represent St. Michael's in a manner that is respectful of others on and off the field. It is our aim and desire that we maintain the highest standards of courtesy, control of emotions, good sportsmanship, and the ability to act as respectful hosts and guests. **Transportation**

St. Michael's School does NOT provide transportation to/from athletic events off campus. It is the responsibility of each family to get their child to and from each event that is held off campus.

By returning this contract with payment, I am making a commitment to the team and will be at as many practices and games as my schedule allows.
